the myth of masculinity in the films of merzak allouache

april 15th, 2020 - abstract the algerian filmmaker merzak allouache has made a series of films that describe the formations of masculinity in algeria of the post independence period the present paper focuses on three feature films made between the dates of 1976 and 2002 tracing the director s initial framing of mythical discourses of masculinity to an increasingly oppositional and alternative gender.
