may 10th, 2020 - text and context a film review ma digital technologies

French does here try to evaluate the film in the simplest possible terms that is to tell the reader whether or not it is any good he also shows himself to be and thus makes the reader aware of the context of the movie particularly the iconic status of the source material the original

'the lawless french vocabulary for cinephiles

June 3rd, 2020 - learn french at the movies cinephile french language and culture through film subtitled a linguistic approach to studying film for the 2nd year language student
this college level textbook integrates movies into learning French in a way that film lovers will love. It begins with a thorough review of 1st year French and uses movies to teach vocabulary, idioms, and everyday expressions. It covers important films of the 1990s such as *Nikita* and *La Haine*. The films are considered in relation to such issues as the history of French cinema, the social and cultural contexts of their production and reception, the relationship with Hollywood cinema, gender politics, authorship, and genre.

The anthology *French film texts and contexts* is an excellent contribution to the field of European film history. This collection is a valuable resource for students and scholars interested in the history and aesthetics of French cinema.
