June 3rd, 2020 - The Best Gin And Tonic Balances The Bitterness Of Tonic Water
The gin and tonic can be as light or as strong as you want to make it. The strength is controlled by the amount of tonic you pour with the average 5 ounce pour of tonic and an 80 proof gin; the drink weighs in around 10 percent ABV. For a very casual drink which is why it’s a favorite for people who don’t like alcohol, the drink is a perfect size for those who want a fun read about the follies of empire and malaria in India and Africa.”
