May 9th, 2020 - pieter bruegel elder is a very well known and hugely influential artist whose relatively small body of survived through centuries paintings and graphics are incredibly important for the art as whole and that magnificent book written with deep respect and admiration to the great flemish master is a definite must have to anyone who is intersted in art history and beyond what impressed me the’

'inside bruegel the play of images in children s games by

March 3rd, 2019 - a study of vermeer not reviewed turns a close reading of the multifarous bruegel into a colorless exercise in pedantry the elder bruegel s range of subjects and richness of detail make it easy to structure a whole book around the imagery of his paintings a task to which snow alas brings jargon
which are not obvious and cannot be determined because of the language and cultural change over the nearly 500 years since this painting'

bruegel hagen rainer amp rose marie 9783836553063 books

May 16th, 2020 - this book on bruegel really does highlight some beautiful colour reproduction and has some lovely enlarged detailed sections of his work it also feels really generous and contains 32 beautiful full page sized images with many of these actually being double page images which are really nice and not particularly impacted or taken away from by expanding across the central spine
