The spread of Islam and the success of Muslim institutions and the gradual decline of Zoroastrianism are viewed in the light of politics, religion, and economics.

Consequently Muslims claimed justification in their dominion over the non-Muslims and in subjecting the latter to worst discrimination and brutality. The result was conflict and occasional uneasy cooperation between the two communities. Auguries both Islamic and...
Zoroastrian however unverifiable strengthened the divine nature of the events' Zoroastrianism or Mazdayasna is one of the world's oldest continuously practiced religions; it is a multi-tendency faith centered on a dualistic cosmology of good and evil and an eschatology predicting the ultimate conquest of evil with theological elements of henotheism, monotheism, monism, and polytheism ascribed to the teachings of the Iranian-speaking spiritual leader Zoroaster also known as
