June 2nd, 2020 - The abundance of European goods gave rise to new artistic objects. For example, iron awls made the creation of shell beads among the Native people of the eastern woodlands much easier, and the result was an astonishing increase in the production of wampum shell beads used in ceremonies and as jewelry and currency. Native peoples had always placed goods in the graves of their departed and this.'

'The Prelude to the Partition of West Africa by John D
May 19th, 2020 - This is a historical study with a modest aim at a time when there is a good deal of discussion about imperialism in general and about the partition of Africa in particular. It seemed there was room for a straightforward account of the establishment of European rule in that part of tropical Africa where there is the longest record of mercantile and cultural contact.

'Colonial Trade Routes and Goods National Geographic Society
