Analysis of Haruki Murakami’s novels
If it is true that writers and artists should spend their entire lives and careers investigating, examining, and trying to understand the same themes, then Haruki Murakami, born January 12, 1949, is a prime example of how to do this.

Murakami’s story begins one fine April morning. I passed my 100 perfect woman on a Harajuku back street as Teo points out. Murakami’s story proved influential on this film in two ways: the dominance of conversational first-person monologues and the use of memory as a device for developing the narrative. These are not small influences.
