a brief history of algeria spainexchange country guide
May 31st, 2020 - Algeria’s economy was too dependent on oil and when oil prices fell during the 1908s oil glut the country faced a lot of hardship which led to social unrest towards the end of the decade. Bendjedid introduced a multi-party system and a number of political parties were formed for instance the Islamic Salvation Front which was a wide union of Muslim groups. Algeria revisited provides an opportunity to critically re-examine the colonial period. The iconic war of decolonisation that brought it to an end and the enduring legacies of these years given the apparent centrality of violence in this history this volume asks how we might re-imagine conflict so
as to better understand its forms and functions in both the colonial and postcolonial eras. A HISTORY OF ALGERIA IN SEVEN STOPS
