150 best balcony gardening images

May 25th, 2020 - You can grow vegetables, fruit, flowers, and herbs, even if you live in an apartment or condo in the city or have a house and want certain vegetables and herbs close to your kitchen. You can get modern DIY ideas for your small tiny space. Get design ideas that provide privacy, utilize railing planters, hanging baskets, vertical wall gardens, whether in full sun or part or full shade.

Your guide to a quick and easy balcony garden - Solluna by June 2nd, 2020 - Herbs tend to like full or partial sunlight at least four hours. Consider positioning them on the sunniest part of your balcony. You could also keep them inside by a window and leave the balcony for the plants that require bigger pots and a little bit more space. Most greens on the other hand can thrive in the shade as can root vegetables.

14 best herbs to grow on your balcony - Grey planter by June 2nd, 2020 - Growing herbs in containers on your balcony is not difficult as herbs do well even in small spaces. Other than regular watering, feeding, sunlight exposure, pest and disease control, herbs do not require very specialized care. Some of the best herbs to grow on your balcony include thyme, rosemary, lavender, chamomile, oregano, sage, basil, lemon verbena, chives, rue, coriander, parsley, and bay.
