Private Supplementary Tutoring is widely called Shadow Education because much of it mimics the mainstream. Shadow Education is defined based on three parameters: supplementation tutoring which covers subjects already covered in school and excluding, for example, language classes for minority children whose families are anxious that new generations retain competence.

'Private Tuition In India Trends And Issues'
May 22nd, 2020 - Introduction In India like most developing countries, there exists a system of private tuition parallel to the formal system of education to supplement academic support and to overcome school inadequacies. In recent years, private tutoring has emerged as a major force as a result of both demand and market mechanisms. In fact, in terms of its nature, extent, and importance, it is parallel to SHADOW EDUCATION PRIVATE SUPPLEMENTARY TUTORING AND ITS IMPLICATIONS FOR POLICY MAKERS IN ASIA.
