April 12th, 2020 - The term Iranian is derived from the Old Iranian ethnic adjective Aryana, which is itself a cognate of the Sanskrit word Arya. The name Iran is from Arya?n?m, lit. land of the Aryans. The old Proto-Indo Iranian term Arya per Thieme meaning hospitable is believed to have been one of the self-referential terms used by the Aryans at least in the areas populated by Aryans who migrated.

How do Iranians, Afghans, and Tajiks feel about one another?

May 27th, 2020 - Hewad Afghan’s answer shows you why the country is in trouble if you read the message you see the fascist tone he feels that Pashtuns own all of Afghanistan, it is why he calls the failure to Pashtunize everyone linguistically as a failure.

"Iranian or Persian, what's the difference"
May 29th, 2020 - modern Iran is prised of a large number of different ethnic and tribal groups people who identify as Persian account for the majority but there are also large numbers of Azeri Gilaki and Kurdish people too while all are citizens of Iran are Iranians only some can identify their lineage in Persia.

The name Tajik refers to the traditionally sedentary people who speak a form of Persian called Tajik in Tajikistan and Uzbekistan and who speak the modern Persian language in Afghanistan. The Tajiks were the heirs and transmitters of the Central Asian sedentary culture that diffused in prehistoric times from the Iranian plateau into an area extending roughly from the Caspian Sea to the borders.

Despite sectarian differences, most Tajiks are Sunni Muslims while Iranians are predominantly Shiites. Tajiks also have strong ties to the culture and people of Iran. The Tajik and Persian languages are closely related and mutually intelligible.

April 19th, 2020 - Yes Tajiks need a better education to understand their history and traditions only when Tajiks and Pashtuns unite Afghanistan will have a good future. Pashtuns and Afghan Tajiks share the same traditions, the same blood, and the same history. Persians are different from Tajiks and Tajiks are natives of Sogdia, Gandhara, and Bactria but Persians are a mix of Elamites and Western Iranians. We need to understand our history.
