Gem cutting a lapidary's manual 2nd edition

Indiebound

June 5th, 2020 - A section on the description and treatment of gemstones has been expanded in this second edition to include more species and accommodate recent information on each with its comprehensive guidance. Gem cutting is an essential addition to the library of any lapidary.

Fundamentals of lapidary international gem society

June 6th, 2020 - Gem cutting styles refer to the shape and arrangement of facets. The three most basic styles are brilliant, step, and mixed. The fundamentals of lapidary are easy to learn. It is a hobby that is enjoyed by many people of all ages and circumstances.

International Gem Society (IGS) is the world's top resource for gem professionals.
