More Than a Woman 2020-09-03 Caitlin Moran THE SUNDAY TIMES NUMBER ONE BESTSELLER 'Exceptionally brilliant and powerful' Marina Hyde 'This book is a hilarious memoir, a passionate polemic, and a moving manifesto on how to be a decent person and try, in the face of countless stresses, to live a full open-hearted, joyous life' Sunday Times A decade ago, Caitlin Moran thought she had it all figured out. Her instant bestseller How to Be a Woman was a game-changing take on feminism, the patriarchy, and the general 'hoo-ha' of becoming a woman. Back then, she firmly believed 'the difficult bit' was over, and her forties were going to be a doddle. If only she had known: when middle age arrives, a whole new bunch of tough questions need answering. Why isn't there such a thing as a 'Mum Bod'? How did sex get boring? What are men really thinking? Where did all that stuff in the kitchen drawers come from? Can feminists have Botox? Why has wine turned against you? How can you tell the difference between a Teenage Micro-Breakdown, and The Real Thing? Has feminism gone too far? And, as always, WHO'S LOOKING AFTER THE CHILDREN? Moranthology 2012-09-13 Caitlin Moran Possibly the only drawback about the bestselling How To Be A Woman was that its author, Caitlin Moran, was limited to pretty much one subject: being a woman. In MORANTHOLOGY Caitlin 'gets quite chatty' about many subjects, including cultural, social and political issues which are usually left to hot-shot wonks and not a woman who sometimes keeps a falafel in her handbag. These other subjects include... Caffeine | Ghostbusters | Being Poor | Twitter | Caravans | Obama | Wales | Paul McCartney | The Welfare State | Sherlock | David Cameron Looking Like Ham | Amy Winehouse | 'The Big Society' | Big Hair | Nutter-letters | Michael Jackson's funeral | Failed Nicknames | Wolverhampton | Squirrels' Testicles | Sexy Tax | Binge-drinking | Chivalry | Rihanna's Cardigan | Party Bags | Hot People | Transsexuals | The Gay Moon Landings

But with five children, two unruly pets and some extremely eccentric attitudes, the educational experiment soon descends into chaos... Bad Mother 2013-04-25 Ayelet Waldman 'I want to be in the company of her frank intelligence forever' Nigella Lawson In our mothers' day there were good mothers, indifferent mothers, and occasionally, great mothers. Today we have only Bad Mothers: If you work, you're neglectful; if you stay home, you're smothering. If you discipline, you're buying them a spot on the shrink's couch; if you let them run wild, they will be into drugs by seventh grade. Is it any wonder so many women refer to themselves at one time or another as a "bad mother"? Writing with remarkable candor, and dispensing much hilarious and helpful advice along the way--Is breast best? What should you do when your daughter dresses up as a "ho" for Halloween?--Ayelet Waldman says it's time for women to get over it and get on with it in this wry, unflinchingly honest, and always insightful memoir on modern motherhood.

Buy Yourself the F*cking Lilies 2020-02-18 Tara Schuster Brutally honest, often hilarious, hard-won lessons in learning to love and care for yourself from a former vice president at Comedy Central who was called "ahead of her time" by Jordan Peele "You're going to want Tara Schuster to become your new best friend."—Glennon Doyle, #1 New York Times bestselling author of Untamed "Compelling, persuasive, and useful no matter where you are in your life."—Chelsea Handler, #1 New York Times bestselling author of Life Will Be the Death of Me By the time she was in her late twenties, Tara Schuster was a rising TV executive who had worked for The Daily Show with Jon Stewart and helped launch Key & Peele to viral superstardom. By all appearances, she had mastered being a grown-up. But beneath that veneer of success, she was a chronically anxious, self-medicating mess. No one knew that her road to adulthood had been paved with depression, anxiety, and shame, owing in large part to her minimally parented upbringing. She realized she'd hit rock bottom when she drunk-dialed her therapist pleading for help. Buy Yourself the F*cking Lilies is the story of Tara's path to re-parenting herself and becoming a "ninja of self-love." Through simple, daily rituals, Tara transformed her mind, body, and relationships, and shows how to • fake gratitude until you actually feel gratitude • excavate your emotional wounds and heal them with kindness • identify your self-limiting beliefs, kick them to the curb, and start living a life you choose • silence your inner frenemy and shield yourself from self-criticism • carve out time each morning to start your day empowered, inspired, and ready to rule • create a life you truly, totally f*cking LOVE This is the book Tara wished someone had given her and it is the book many of us desperately need: a candid, hysterical, addictively readable, practical guide to growing up (no matter where you are in life) and learning to love yourself in a non-throw-up-in-your-mouth-it's-so-cheesy way.

What About Men? 2023-07-06 Caitlin Moran 'A must-read eye-opener that makes you laugh, cry, get angry and get happy on every page. It's magnificent' Bob Mortimer 'Our greatest modern writer on women turns her eyes on men - and it's all good' David Baddiel As any feminist who talks about the problems of girls and women will know, the first question you will ever be asked is 'But what about MEN?' After eleven years of writing bestsellers about women and dismissing this question, having been very sure that the concerns of feminism and men are very different things, Caitlin Moran realised that this wasn't quite right, and that the problems of feminism are also the problems of, yes, men. So, what about men? Why do they

only go to the doctor if their wife or girlfriend makes them? Why do they never discuss their penises with each other - but make endless jokes about their balls? What is porn doing for young men? Is their fondness for super-skinny jeans leading to an epidemic of bad mental health? Are men allowed to be sad? Are men allowed to lose? Have Men's Rights Activists confused 'power' with 'empowerment'? And is Jordan B Peterson just your mum - but with some mad theory about a lobster? In this book, Caitlin intends to answer all this and more - because if men haven't yet answered the question 'What About Men?', it's going to be down to a busy woman to do it.

You're the Only One I've Told 2020-09-01 Meera Shah "Moving, multifaceted, and deeply human...as eye-opening as it is compelling" —Cecile Richards, author of Make Trouble At a time where reproductive rights are at risk, these vital stories of diverse individuals serve as a reminder of the importance of empathy, finding community and motivating advocacy For a long time, when people asked Dr. Meera Shah, Chief medical officer of Planned Parenthood Hudson Peconic, what she did, she would tell them she was a doctor and leave it at that. But when she started to be direct about her work as an abortion provider an interesting thing started to happen: one by one, people would confide that they'd had an abortion themselves.

The refrain was often the same: You're the only one I've told. This book collects these stories as they've been told to Shah to humanize abortion and to combat myths that persist in the discourse that surrounds it. A wide range of ages, races, socioeconomic factors, and experiences shows that abortion always occurs in a unique context. Today, a healthcare issue that's so precious and foundational to reproductive, social, and economic freedom for millions of people is exploited by politicians who lack understanding or compassion about the context in which abortion occurs. Stories have the power to break down stigmas and help us to empathize with those whose experiences are unlike our own. A portion of proceeds will be donated to promote reproductive health access.

Lapsed 2021-04-01 Monica Dux Losing your religion is harder than it looks ... From devout ten-year-old performing the part of Jesus in a primary school play to blaspheming, undergraduate atheist, Monica Dux and her attitude to the Catholic Church changed profoundly over a decade. Eventually, she calmed down and was just 'lapsed'. Then, on a family trip to Rome, her young daughter expressed a desire to be baptised. Monica found herself re-examining her own childhood and how Catholicism had shaped her. Was it really out of her system or was it in her blood for life? In Lapsed, Monica sets out to find the answer. Her investigations lead her to test a miracle cure in Lourdes and visit the grave of a headless Saint who claimed to be married to Christ (and wore a wedding ring made of his foreskin to prove it). She speaks to canon lawyers, abuse survivors and even a nun who insists that the Virgin Mary starts her car every morning. With wry humour and razor-sharp observations, Lapsed is the story of one woman's attempt to exorcise her religious upbringing, and to answer the question, is Catholicism like a blood group and, if so, is it possible to get a total transfusion? Are Men Obsolete? 2014-02-08 Hanna Rosin For the first time in history, will it be better to be a woman than a man in the upcoming century? The twelfth semi-annual Munk Debate pits Hanna Rosin and Maureen Dowd against Caitlin Moran and Camille Paglia to debate one of the biggest socio-economic phenomena of our time — the relative decline of the power and status of men in the workplace, in the family, and society at large. Men have traditionally been the dominant sex. But now, for the first time, a host of indicators suggests that women not only are achieving equality with men, but are fast emerging as the more successful sex of the species. Whether in education, employment, personal health, or child rearing, statistics point to a rise in the status and power of women at home, in the workplace, and in traditional male bastions such as politics. But are men, and the age-old power structures associated with “maleness,” permanently in decline? In this edition of the Munk Debates — Canada's premier debate series — renowned author and editor Hanna Rosin and Pulitzer Prize-winning columnist Maureen Dowd square off against New York Times-bestselling author Caitlin Moran and academic trailblazer Camille Paglia to debate the future of men. With women increasingly demonstrating their ability to “have it all” while men lag behind, the Munk Debate on gender tackles the essential socio-economic question: Are men obsolete?

The Book of Aron 2015-05-12 Jim Shepard The acclaimed National Book Award finalist—“one of the United States' finest writers,” according to Joshua Ferris, “full of wit, humanity, and fearless curiosity”—now gives us a novel that will join the short list of classics about children caught up in the Holocaust. Aron, the narrator, is an engaging if peculiar and unhappy young boy whose family is driven by the German onslaught from the Polish countryside into Warsaw and slowly battered by deprivation, disease, and persecution. He and a handful of boys and girls risk their lives by scuttling around the ghetto to smuggle and trade contraband through the quarantine walls in hopes of keeping their fathers, mothers, brothers, and sisters alive, hunted all the while by blackmailers and by Jewish, Polish, and German police, not to mention the Gestapo. When his family is finally stripped away from him, Aron is rescued by Janusz Korczak, a doctor renowned throughout prewar Europe as an advocate of children's rights who, once the Nazis swept in, was put in charge of the Warsaw orphanage. Treblinka awaits them all, but does Aron manage to escape—as his mentor suspected he could—to spread word about the atrocities? Jim Shepard has masterfully made this child's-eye view of the darkest history mesmerizing, sometimes comic despite all odds, truly heartbreaking, and even inspiring. Anyone who hears Aron's voice will remember it forever.

The Ministry of Truth 2019-05-30 Dorian Lynskey Longlisted for the Baillie Gifford Prize for Non-Fiction 2019 Longlisted for the Orwell Prize for Political Writing 2020 'Fascinating . . . If you have even the slightest interest in Orwell or in the development of our culture, you should not miss this engrossing, enlightening book.' John Carey, Sunday Times George Orwell's 1984 has become a defining narrative of the modern world. Its cultural influence can be observed in some of the most notable creations of the past seventy years, from Margaret Atwood's The Handmaid's Tale to the reality TV landmark Big Brother, while ideas such as 'thought police', 'doublethink', and 'Newspeak' are ingrained in our language. The Ministry of Truth charts the life of one of the most influential books of the twentieth century and a work that is ever more relevant in this tumultuous era of 'fake news' and 'alternative facts'. Dorian Lynskey investigates the influences that came together in the writing of 1984 from Orwell's experiences in the Spanish Civil War and in wartime London to his fascination with utopian and dystopian fiction. Lynskey explores the phenomenon the novel became when it was first published in 1949 and the changing ways in which it has been read over the decades since, revealing how history can inform fiction

and how fiction can influence history. 'Everything you wanted to know about 1984 but were too busy misusing the word "Orwellian" to ask.' Caitlin Moran

Fearne Cotton Bryony Gordon is a respected journalist, a number-one bestselling author and an award-winning mental health campaigner. She is also an alcoholic. In Glorious Rock Bottom Bryony opens up about a toxic twenty-year relationship with alcohol and drugs and explains exactly why hitting rock bottom - for her, a traumatic event and the abrupt realisation that she was putting herself in danger, time and again - saved her life. Known for her trademark honesty, Bryony re-lives the darkest and most terrifying moments of her addiction, never shying away from the fact that alcoholism robs you of your ability to focus on your family, your work, your health, your children, yourself. And then, a chink of light as the hard work begins - rehab; twelve-step meetings; endless, tedious, painful self-reflection - a rollercoaster ride through self-acceptance, friendship, love and hope, to a joy and pride in staying sober that her younger self could never have imagined. Shining a light on the deep connection between addiction and mental health issues, Glorious Rock Bottom is in turn, shocking, brutal, dark, funny, hopeful and uplifting. It is a sobriety memoir like no other.

The Bird Singers 2022-02-03 Eve Wersocki Morris 'The whistling had started on their first night. At first, Layah thought it was bird song - a high thin sound which became a melody, rising and falling. And each night, it returned.' Strange things have been happening to Layah and her younger sister, Izzie, ever since their mother dragged them to a rain-soaked cottage miles from anywhere in the Lake District: there is a peculiar whistling at night, a handful of unusual feathers appear and a sudden, frightening banging at the door. And their mother is behaving very oddly. Layah is mourning the loss of her dear grandmother in Poland - and can almost hear her voice telling her the old myths, legends and fairy tales from that place. And as the holiday takes on a dark twist, Layah begins to wonder if the myths might just be real.
